2021 BUDGET MESSAGE

The Eastern Rio Blanco Recreation and Park District (ERBM) located in Meeker Colorado oversees the operations and maintenance of the Meeker Recreation Center and a variety of distinct facility, park and open space locations with various amenities that are either owned or leased by the District. ERBM is funded primarily by revenues from property taxes with approximately 5-10% generated through: registration fees, membership sales and investment income. The current total voter authorized mill levy assessment rate stands at 5.699 mills (last increased in 2005 by 2.5 mills for recreation center operations). The budgetary basis of accounting is a modified accrual system, under which revenues are recognized when they become measurable and available; and, expenditures are generally recognized when the related fund liability is incurred. ERBM's Amended and Restated Service Plan was adopted by the Board of County Commissioners in 2016 to reflect current status of operations and remain compliant with statutory changes.

Budget priorities for 2021 include:

- *Minimize increases and work toward decreases in overall operating expenses based on stagnation in total county assessed property tax valuation and economic downturn*
- *Evaluate escalating personnel expenses throughout organizational structure with emphasis on minimizing ongoing costs*
- *Complete critical CIP expenditures in conjunction with approved asset management philosophy*
- *Continue planning priorities including adopted fiscal "cash management" policies, and work toward adoption of new cost recovery philosophy / fee schedules*
- *Work toward approval of ongoing budget stabilization decision making with board and staff*
- *Work collaboratively (including grants, outside partnerships) on new capital projects, including second phase of development at Circle Park*

OPERATIONS:

The ERBM Operations Budget for 2021 is \$3,827,000 which reflects a 2% increase from 2020 budgeted operating expenses. ERBM operational expenses and personnel are divided amongst the three following departments:

- **Administration:** The Administrative Services Department oversees the following core support areas: financial accounting, audit and budget; human resources, safety and wellness programs; contract administration; marketing and communications; guest services; and information technology. Department priorities over the next year include development and implementation of policy/procedures documents, customer service initiatives, and continued technology infrastructure improvements.
- **Recreation:** The Recreation Department oversees all of ERBM's wide range of programs and community-oriented activities, including: aquatics, athletics, fitness, special events, and a myriad of general educational and enrichment offerings. Additionally, this department liaison's with and works collaboratively with several essential community partners. This year staff will continue to focus their efforts on providing high quality, cost efficient programming opportunities within targeted cost recovery goals by service category.
- **Parks & Facilities:** In order to provide a safe and inviting environment to our community members and visitors, ERBM will continue to oversee housekeeping and maintenance services at various owned and/or leased parks and facilities. ERBM utilizes an automated work order management system for demand and scheduled maintenance tasks, as well as oversees ongoing asset management auditing controls.

CAPITAL IMPROVEMENTS:

The ERBM Capital Improvement Planning (CIP) Budget for 2021 is \$603,000 which reflects a 30% decrease from 2020 budgeted CIP expenses. Significant capital projects in 2021 include: Circle Park Pond Construction completion (\$120,000), Meeker Recreation Center IT infrastructure and equipment (\$180,000), Circle Park Phase II Planning (\$30,000), Fitness Room Flooring Replacement (\$30,000), Fitness Room Equipment updates (\$10,000), Inflatable play feature replacements (\$15,000), mower replacement (\$20,000), insurance claim offset flooring and furniture replacement (\$20,000) and minor contingency items (scrubber, snow plow).
